

THE BURLINGAME PUBLIC LIBRARY ANNOUNCES

Green Programs on Hot Topics 2018

PRESENTED BY THE CITIZENS ENVIRONMENTAL COUNCIL OF BURLINGAME

CEC Student Film Fest

Mon. March 19, 7:00-8:30 PM, Burlingame High School Auditorium*

Videos created by students in grades 4 through 12 on environmental topics will be screened at CEC's inaugural film festival, and awards will be presented. *Cosponsored by the Burlingame Environmental Club at BHS.*

Optimizing Our Highways: Moving More People with Fewer Cars

Mon. April 30, 7:00-8:30 PM, Burlingame Public Library, Lane Room

Widening freeways and adding express lanes won't solve all our traffic woes. Transportation experts will explain how to move more people with fewer cars on Highway 101 via a Mobility Action Plan and managed express lane that achieve equity and environmental sustainability. Refreshments will be served. *Cosponsored by TransForm and the Silicon Valley Climate Action Alliance.*

Lawn Be Gone: Attractive Turf Alternatives

Wed. May 16, 7:00-8:30 PM, Burlingame Public Library, Lane Room

Join award-winning horticulturist Frank Niccoli to explore the benefits of replacing your thirsty lawn with attractive turf alternatives that require far less maintenance and save you money and water. *Cosponsored by the Bay Area Water Supply and Conservation Agency.*

Is Climate Change Making You Sick?

Tues. June 26, 7:00-8:30 PM, Burlingame Public Library, Lane Room

Paul Auerbach, M.D., a professor of emergency medicine at Stanford University, reveals the countless, frightening ways that climate change is increasing allergens, creating toxic algal blooms, inducing heat stress, causing air degradation, and creating water and food insecurity. Copies of his book, "Enviromedics: The Impact of Climate Change on Human Health," will be sold.

Save Energy, Water and Money

Wed. October 3, 7:00-8:30 PM, Burlingame Public Library, Lane Room

Make your home more efficient, save money and take advantage of rebates for toilets, landscaping and weatherizing. Also find out about the smartest and cheapest ways to use renewable energy and make your home more energy and water efficient by taking advantage of programs and rebates designed to encourage sustainability.

Screening of 'An Inconvenient Sequel'

Thurs. Nov. 8, 7:00-9:00 PM, Burlingame High School Auditorium*

This sequel to Al Gore's Oscar-winning 2006 documentary, "An Inconvenient Truth," delivers an honest look at how close we are to an energy revolution and how the sausage of climate diplomacy gets made. 1 hour, 40 minutes long. *Cosponsored by the Burlingame Environmental Club at BHS.*

Burlingame High School: 1 Mangini Way, Burlingame*

Burlingame Public Library: 480 Primrose Road, Burlingame • www.burlingame.org/library
